

SONORE

"Sound" in a world without sound

An instrument that evokes emotions
and feelings

Express your emotions in a world
without sound, without distractions

For anyone and everyone to express
any and all emotion

SONORE

What is It?

After the catastrophe that rid the world of sound, the numerous Asteroid pieces that remained on the Earth had a special property that displays emotions when touched.

The Sonore is made of these Asteroid pieces.

An instrument that evokes emotion.

SONORE

How do you use it?

88 keys and 7 octaves — each octave has 8 keys which correspond to a specific emotion, and each octave corresponds to the intensity of emotion.

Easily tuneable — anyone can what emotions correspond to each note.

Beginner Friendly — every emotion is beautiful, no matter what combination of keys you press
